---

*(Checks payable to AHS Band)*

Contact Mr. White at Alexander High School if you have any problems meeting payment deadlines.

Members will have the opportunity to earn money for their fees through fundraisers. These projects are the easiest way for students to generate *all* of their required band fees. If students do not participate in fundraisers, the Band Boosters Budget will not meet the needs of the band program. Students receive a percentage of their total sales to apply to their band fees. Band fees are due according to the payment chart. Marching Band fee covers expenses for Band Camp, travel, Band Shirt, uniform rental & cleaning, additional staff and other operating expenses.
