

# ALEXANDER BANDS

## New Uniform Drive

### 2019

As some of you may be aware, we have experienced unprecedented growth in the Alexander Band program over the past few years. In addition, our current marching band uniforms were purchased in 2005 and were only expected to have a 10 year lifespan. Because of these two factors, we are in need of new uniforms.

We are asking parents to sponsor the cost of one new uniform (\$200). The uniforms would be the property of the Alexander High School Marching Band program and serve the marching needs for many years to come. In return, we would waive your student's uniform fee (\$100 per year) for up to two years. For the additional contribution of the shako (hat) and plume, an additional \$25 will be credited to your student's account.

The primary goal is to have a coat on every student for the 2019-2020 marching season. Our preference is to also purchase new shakos (hats) and plumes at the same time to better complement the new coats.

Please consider sponsoring the entire cost of a uniform. The ultimate goal is to provide the best possible marching experience for our students and instill in them a sense of pride.

Please complete the form below and submit with your contribution. Thank you for your support!
